List of investments excludes energy deals which are no longer part of our investment strategy.

BACKGROUND

TJC, L.P. ("TJC") (tjclp.com), founded in 1982, is a middle-market private equity firm that has raised funds with original capital commitments in excess of \$19 billion with a 40-year track record of investing in and contributing to the growth of many businesses across a wide range of industries including Consumer & Healthcare; Diversified Industrials & Distribution; Logistics & Supply Chain; and Technology, Telecom & Power. The senior investment team has been investing together for over 22 years and it is supported by the Operations Management Group, which was established in 1988 to initiate and support operational improvements in portfolio companies. Headquartered in New York, TJC also has offices in Chicago, Stamford and Miami.

CRITERIA

Minimum of \$25 million EBITDA in a wide range of industries including, but not limited to, the following:

- Consumer & Healthcare
- Diversified Industrials & Distribution
- Logistics & Supply Chain
- Technology, Telecom & Power

TJC will pursue a variety of deals, including LBOs, recapitalizations, build-ups, public-to-private, growth financings and restructuring deals, and invest between \$100 million and \$500 million of equity in transactions valued between \$100 million and \$1.5+ billion.
